“The flagship is the 2015 Red Wine Hightower Reserve, which is composed of 86% Cabernet Sauvignon and 14% Malbec, all from Red Mountain, aged 19 months in 91% new oak. As with all these releases, it's deeply colored and offers attractive notes of cassis and blackcurrants, scorched earth, chocolate, and hints of cedary spice. Medium to full-bodied, it's certainly the most balanced, concentrated, and textured of the Bordeaux blends. Drink it any time over the coming decade or more. 90 points.”

-Jeb Dunnuck, April 2019

“Years Best Cabernet and Blends. 91 points.”

As much as possible, we take a non-interventionist approach to winemaking. We place great emphasis on vineyard selection, picking, pressing, and blending so that Hightower wines are naturally beautiful and free from pretense. We let the powerful and concentrated fruit from Red Mountain speak for itself. The result is a collection of well-balanced, nuanced wines that reveal something new and interesting each time you open a bottle. We like to think they're wines with character through and through – in how they were made, how they taste, and in the connections they inspire.

We produced 169 cases.
